

## **Livelihood interventions for Balik Probinsya Program in Kalawit**

KALAWIT, ZAMBOANGA DEL NORTE – The DA9 Organic Agriculture Program (OAP) turned over 100 heads of chicken, 100 liters of molasses, 3kgs assorted vegetable seeds, and some 95kgs African Night Crawlers to residents of Sitio Monub, Barangay Daniel Maing in the municipality of Kalawit on December 10, 2020.

These interventions are support for the establishment of livelihood activities incorporated in the Balik Probinsya Program (BP2) of the Philippine government. DA9 PMED Chief Engr. Luisita Abella who represented RED Rad Donn L. Cedeño led the turnover of livelihood inputs to the identified beneficiaries.

DA9 OAP also conducted an orientation seminar of the BP2 and a hands-on demo on organic fertilizer production through a short lecture presented by the DA9 regional organic program focal person Janice Legaspi.

Present to show support in this activity is Kalawit Mayor Salvador Antojado, Municipal Agriculturist Bedulita Aguilar, and the Kalawit Municipal Planning and Development Coordinator.
