FINALIZATION OF GAD AGENDA

In accordance with the Magna Carta of Women (MCW) and the Philippines' commitment to achieve gender equality and women's empowerment (GEWE), the Guidelines for the Preparation of Annual GAD Plans and Budgets (GPBs) and GAD Accomplishment Reports (ARs) was issued by the Philippine Commission on Women, the National Economic and Development Authority (NEDA) and the Department of Budget and Management (DBM). The guidelines provide the procedures for the formulation, implementation, monitoring and evaluation of GAD plans and budgets of agencies and identify the setting of the GAD agenda as one of the steps in formulating the GAD plan. The GAD agenda shall be the basis for the annual formulation of programs, activities and projects (PAPs) to be included in the GPBs of agencies. It will provide agencies with direction in setting and monitoring their GAD initiatives towards the achievement of their GEWE goals.

The SRA GAD Agenda is the 6-year (2024 - 2029) term plan of the Sugar Regulatory Administration that lays out the action plans of the agency to close the gender gaps between women and men in the sugarcane industry through effective and efficient gender mainstreaming. This will serve as a guide in the formulation of the SRA's annual Gender Plan and Budget (GPB) starting in 2024 until 2029.

CONTINUATION...

The 6-year term SRA GAD Agenda is a product of the Gender Mainstreaming Evaluation Framework (GMEF) validation report conducted by the Philippine Commission on Women (PCW) from October 20 to 29, 2021 when SRA received a notable increase in the score from 27.65 baseline score to 35.1 in the updating and showed a remarkable increase in score which, in turn, also increased the overall level from level 1 in 2019 to level 2 in 2020 (Installation of Strategic Mechanisms). The SRA GAD Agenda is also an offshoot of various planning sessions attended by GAD Focal Point System (GFPS) members:

- SRA-GAD Agenda Formulation Workshop, April 9-11, 2019, Newtown Plaza Hotel, Baguio City
- SRA-GAD Focal Point System GST Module Harmonization and Assessment Workshop, August 21-22, Loiza Pavilion, Malaybalay, Bukidnon
- GAD Agenda: Formulating the GAD Strategic Framework and GAD Strategic Plan November 18, 2021 via Zoom

- SRA-GAD Trainers' Training, June 28 – 30, 2023, Microtel UP Technohub, Q.C.

“ Increased the overall level from level 1 in 2019 to level 2 in 2020. ”

CONTINUATION...

The SRA GAD Agenda recognizes the various commitments of the Philippine government to advance women's rights and eliminate gender discrimination under various gender-related laws, notably, the Philippine Plan for Gender Responsive Development (1995-2025), the Beijing Platform for Action (the resulting document from the Fourth World Conference on Women in Beijing, China in 1995 adopted by the United Nations), Women in Development and Nation Building Act (Republic Act No. 7192), Anti-Sexual Harassment Act of 1995 (Republic Act No. 7877), Anti-Violence Against Women and their Children Act of 2004 (Republic Act No. 9262), Safe Spaces Act (Republic Act No. 11313) and the Magna Carta of Women (Republic Act No. 9710).

Under Section 36 of Republic Act No. 9710, otherwise known as the Magna Carta of Women (MCW), SRA shall adopt gender mainstreaming as a strategy to promote women's rights and eliminate gender discrimination in their systems, structures, policies, programs, processes, and procedures.

“SRA shall adopt gender mainstreaming as a strategy to promote women’s rights and eliminate gender discrimination in their systems, structures, policies, programs, processes, and procedures.”

CONTINUATION...

Program/Project Objectives:

The GAD Agenda is the agency's strategic framework and plan on gender mainstreaming, and achieving women's empowerment and gender equality. It shall:

1

Serve as basis in identifying programs, activities, and projects to be undertaken to achieve the GAD goals and outcomes;

2

Provide the monitoring and evaluation (M&E) framework for assessing GAD results and outcomes that shall be the basis for strengthening the mainstreaming of a GAD perspective in the agency's operations and programs; and

3

Be formulated in a participatory, consultative and inclusive process. It shall consider the results from consultations with women target beneficiaries as well women's groups/organizations working on the sector and other concerned stakeholders, and the identified gaps resulting from gender analysis.

CONTINUATION...

Components and corresponding funding, geographic scope, target beneficiaries:

The GAD Agenda is national in scope, a two-part document consisting of the GAD Strategic Framework (GADSF) and the GAD Strategic Plan (GADSP). The GADSF outlines the agency's GAD Vision, Mission and Goals anchored on the mandate of the agency, while GADSP defines the strategic interventions, indicators, and targets to be pursued to achieve GAD goals over a period of time.

All enumerated plans, activities, and projects (PAPs) in GAD Agenda shall be funded under the Gender and Development (GAD) budget of the SRA. This GAD budget policy was first introduced through the General Appropriations Act (GAA) in 1995 as "The Women's Budget" to support with actual resources the implementation of programmes and projects on the ground, focused on gender advocacy and commitment to women's empowerment. This policy directs all government departments and agencies to allocate a minimum of five percent (5%) of their total annual budgets for gender programs, projects and activities. It has been an important feature of the annual GAA and further strengthened by the Magna Carta of Women (Republic Act No. 9710).

Implementation timeline:

October to December, 2023

Impacts of the activity:

Some of the impacts of conducting trainings on gender sensitivity and anti-violence against women and safe spaces among sugar farmers, farm workers and sugar mill workers are:

- Increased awareness and understanding of gender concepts and issues in the sugar industry, and the legal and policy frameworks that protect women and girls from violence.
- Improved capacity and coordination of the sugar industry stakeholders to implement programs and initiatives that promote gender equality and women's empowerment, and to respond to the needs and concerns of VAW survivors and victims.
- Enhanced participation and leadership of women in the sugar industry, especially in the decision-making, management, and development processes, as well as in the advocacy and mobilization activities against VAW.
- Recognition and appreciation of the contributions and achievements of women in the sugar industry, as well as the challenges and issues they face.

These impacts can help build the capacity and commitment of the participants to address gender and VAW issues in the sugar industry and to contribute to the inclusive and sustainable development of the country.

Conduct of Training of Pool of Resource Speakers in SRA GAD – Luzon, Mindanao, and Visayas for Gender Sensitivity Trainings (GST) And Safe Spaces Act

Brief description or overview:

Gender Sensitivity Trainings, Safe Spaces Act, and Anti-Violence Against Women and Children (VAWC) initiatives play a vital role in promoting gender equality. By conducting training of trainers, we can equip individuals with the necessary knowledge, skills, and attitudes to effectively address gender-related issues and promote a more inclusive and equitable society.

Gender-based violence and discrimination are pervasive social issues that impact individuals, families, and communities. By conducting this program, we can ensure a broader reach in addressing these issues. Trainers can then disseminate knowledge, raise awareness, and facilitate discussions on gender sensitivity and VAWC prevention, fostering a more informed and empathetic society.

Program/Project Objectives:

1. To equip our pool of resource persons with the necessary knowledge, skills, and attitudes to effectively conduct Gender Sensitivity Trainings, Safe Spaces Act, and Anti-VAWC seminars.
2. By the end of the training, participants should be able to facilitate engaging sessions that raise awareness, promote understanding, and foster positive attitudes towards gender equality, ensuring full respect for human rights.
3. To design effective training modules/materials/visual aids, including setting learning objectives, selecting appropriate methodologies, and developing interactive sessions.

The training program consists of introduction, overview of relevant national and international laws and policies related to gender equality, VAWC and Safe Spaces Act (RA 11313). Engage participants in a case study exercise to apply legal principles in practical situations. Group discussions, case study, group dynamics, role-playing exercises, designing training modules and interactive sessions.

SRA GAD-CSR Year-End Assessment and Strategic Planning cum Orientation on Basic Principles of Gender Audit

Brief description or overview:

The Gender and Development Focal Point System (GFPS) and Corporate Social Responsibility (CSR) Committee jointly facilitated their Year-End Assessment and Strategic Planning Cum Orientation on Basic Principles of Gender Audit last October 25-27, 2023 at the Farmers Den, Sugarland Hotel, Araneta St., Singcang, Bacolod City. The event aimed to ensure that the organization's GAD programs and policies are effective, efficient, and responsive to the needs of women and men.

The year-end assessment is a crucial process for SRA to evaluate its performance in achieving gender equality and women's empowerment objectives. It has greatly contributed to a deeper and goal-driven analysis to identify strengths, weaknesses, opportunities, and threats in implementing GAD programs and policies. The series of seminars equipped the participants the knowledge and skills to conduct a gender audit, which is a systematic review of policies, programs, and practices to assess their impact on women and men. Overall, the event inspired and motivated the GAD-FPS and CSR Committee to work collectively towards upholding the organization's dedication to gender equality and social responsibility.
