SUPPLEMENTAL/BID BULLETIN NO. 1

Supply and Delivery of Thirteen (13) Sets Farm Implements Bid Reference No. 2023-SIDA-13

With reference to the Bidding Documents for the **Supply and Delivery of Thirteen (13) Sets Farm Implements**, posted at the PhilGEPS and SRA websites, this Supplemental/Bid Bulletin is being issued to clarify, amend, modify some items in the provisions of the Bidding Documents in response to the recommendations raised by prospective bidders during the pre-bid conference and in writing, as follows:

From		To	
Section III. Bid Data Sheet			
ITB Clause 5.3	For this purpose, contracts similar to the Project shall be: a. Agricultural Tractor- drawn Implements	ITB Clause 5.3	For this purpose, contracts similar to the Project shall be: a. Agricultural Tractor-drawn Implements or <u>Agricultural Tractor with Implements provided that the 1) Invoice of the completed contract (with Tractor and Implements), 2) the Collection Receipt and 3) a Notarized breakdown of the total cost of the implements and the total cost of the tractors are to be submitted.</u>
Section VII. Technical Specifications			
From		To	
A.1	<i>Moldboard Plow:</i>		<i>Moldboard Plow:</i>
A.2	Brand new, <u>imported and heavy duty or</u> locally fabricated with good workmanship and metallurgy, fully welded, rigid and durable frame, Category II, Adaptable for 90 Hp tractor, 3 bottoms, detachable or adjustable shanks using appropriate clamps, bolts and nuts, minimum working depth of 16 inches (41 cm), complete with parking stand, hitch pins, locks, other accessories, and set of tools	A.2	Brand new, locally fabricated with good workmanship and metallurgy, fully welded, rigid and durable frame, Category II, Adaptable for 90 Hp tractor, 3 bottoms, detachable or adjustable shanks using appropriate clamps, bolts and nuts, average working depth of 15-16 inches (38-41 cm), complete with parking stand, hitch pins, locks, other accessories, and set of tools
A.3	Required dimensions:	A.3	Required dimensions:
A.4	Main Frame: At least 4" x 4" x 1/2" square tube or welded angle bars (mild steel or better)	A.4	Main Frame: At least 4" x 4" x 1/2" square tube or welded angle bars (mild steel or better)
A.5	Moldboard: At least 5/16" thickness (mild steel or better)	A.5	Moldboard: At least 5/16" thickness (mild steel or better)
A.6	Standard/Shank: 1 1/2" thickness (mild steel or better)	A.6	Standard/Shank: 1 1/2" thickness (mild steel or better)

Responses to Prospective Bidder's Queries:

Bidder	Item	SRA Requirement/ Specification	Recommendations	Comments
Filholland Corporation	BDS ITB Clause 5.3	For this purpose, contracts similar to the Project shall be: a. Agricultural Tractor-drawn Implements	For the SLCC, to allow <u>Agricultural Tractor with Implements</u> . An invoice of a completed contract with tractor and implements is to be submitted with a notarized breakdown of the total cost of the implements and the total cost of the tractors. A collection receipt shall also be submitted.	GRANTED
	Tech Specs. A.11	<u>Trailing Disc Harrow</u> Brand new, <u>imported and heavy duty</u> or locally fabricated with good workmanship and metallurgy, fully welded but with imported discs, rigid and durable frame, adaptable for 90 Hp tractor, 18-20 discs with 24 inches diameter, standard spools, two gangs, notched front discs, plain rear discs, heavy duty bearings with grease points, complete with scraper, hydraulic jacks and hitch pin and lock.	To allow plain or notched type of discs in front gang (not only notched front discs).	GRANTED (provided that the AMTEC Test Report shows the same number and diameter of discs required by the procuring entity.)
	Tech. Specs. A.18	Boom Sprayer	Remove Boom Sprayer	GRANTED
ACETC	Tech. Specs. A.2	<u>Mouldboard Plow:</u> Brand new, <u>imported and heavy duty</u> or locally fabricated with good workmanship and metallurgy, fully welded, rigid and durable frame, Category II, Adaptable for 90 Hp tractor, 3 bottoms, detachable or adjustable shanks using appropriate clamps, bolts and nuts, minimum working depth of 16 inches (41 cm), complete with parking stand, hitch pins, locks, other accessories, and set of tools	To allow to set the working depth to an average of 15-16 inches depth. Based on AMTEC Test, the given depth were only the average. The type of soil also varies during conducting the testing.	GRANTED
			To retain the "imported and heavy duty" criteria for the implement since the imported implements can also comply with the requirements sent by the end-user.	Denied
	Tech Specs. A.11	<u>Trailing Disc Harrow</u> Brand new, <u>imported and heavy duty</u> or locally fabricated with good workmanship and metallurgy, fully welded but	To retain the "imported and heavy duty" criteria for the implement since the imported implements can also comply with the requirements sent by the end-user.	Denied

		with imported discs, rigid and durable frame, adaptable for 90 Hp tractor, 18-20 discs with 24 inches diameter, standard spools, two gangs, notched front discs, plain rear discs, heavy duty bearings with grease points, complete with scraper, hydraulic jacks and hitch pin and lock.		
	Tech. Specs. A.13	<u>Furrower</u> Brand new, imported and heavy duty or locally fabricated with good workmanship and metallurgy, fully welded, rigid and durable frame, Category II, Adaptable for 90 Hp tractor, three detachable and adjustable shanks using appropriate clamps, bolts and nuts, minimum furrow depth of 12 inches (300 mm), applicable for 1-1.3 meters furrow spacing, complete with parking stand, hitch pins, locks and set of tools.	To retain the "imported and heavy duty" criteria for the implement since the imported implements can also comply with the requirements sent by the end-user.	Denied
	Tech. Specs. A.18	Boom Sprayer	Omit the Boom Sprayer requirement since the budget allotted cannot suffice for the four (4) implements	GRANTED
	Tech. Specs. A.27	Certificate of Conformity from BAFE	To consider AMTEC Test Result as equivalent to Certificate of Conformity. AMTEC Test Result can suffice for the technical data for each implement.	GRANTED
	Tech. Specs. A.30	The brand offered must be available and existing in the local market for the last 30 years	Omit since the technical specification "imported and locally fabricated" is more than 30 years in the market.	GRANTED
P.I. Farm Products, Inc.	Tech. Specs. A.2	<u>Moldboard Plow</u> Brand new, imported and heavy duty or locally fabricated with good workmanship and metallurgy, fully welded, rigid and durable frame, Category II, Adaptable for 90 Hp tractor, 3 bottoms, detachable or adjustable shanks using appropriate clamps, bolts and nuts, minimum working depth of 16 inches (41 cm), complete with parking stand,	Keep the working depth to a minimum of 16 inches based on PAES standard	Denied

		hitch pins, locks, other accessories, and set of tools		
Agricom Visayas, Inc.	Tech Specs. A.11	<u>Trailing Disc Harrow</u> Brand new, <u>imported and heavy duty</u> or locally fabricated with good workmanship and metallurgy, fully welded but with imported discs, rigid and durable frame, adaptable for 90 Hp tractor, 18-20 discs with 24 inches diameter, standard spools, two gangs, notched front discs, plain rear discs, heavy duty bearings with grease points, complete with scraper, hydraulic jacks and hitch pin and lock.	Brand new, locally fabricated with good workmanship and metallurgy, fully welded but with imported discs, rigid and durable frame, adaptable for 90 Hp tractor, 18-20 discs with 24 inches diameter, standard spools, two gangs, notched front discs, plain rear discs <u>or plain discs (front and rear)</u> , heavy duty bearings with grease points, complete with scraper, hydraulic jacks and hitch pin and lock.	GRANTED (provided that the AMTEC Test Report shows the same number and diameter of discs required by the procuring entity.)
	A.27	Certificate of Conformity from BAFE	Certificate of Conformity or AMTEC Test Report	GRANTED

The Supplemental/Bid Bulletin No. 1 shall form part of the Bidding Documents. Any provisions in the Bidding Documents inconsistent herewith is hereby amended, modified and superseded accordingly.

For the guidance and information of all concerned.

Issued this 25th day of August 2023.
