

ANNOUNCEMENT

The following are the existing logos of the OPSI or Outreach Program for the Sugarcane Industry of RDE (Luzon & Mindanao) ---top row and RDE (Visayas) ---second row:

A banner program of the Sugar Regulatory Administration which promotes technology and knowledge transfer among sugarcane farmers, the OPSI has been one of the agency's pivotal and trademark activities over the years.

In this light, the SRA Extension Division formally opens its search for a standard and official logo of the OPSI. The entries must exhibit its strong role in technology and knowledge transfer, which is its prime objective.

The search is open to all SRA employees. Entries shall be submitted to the Extension Division for evaluation the soonest time possible.

Join now and let your creativity shine through!
