MEMORANDUM ORDER NO. 1

Series of 2015

**TO :** THE DEPUTY ADMINISTRATOR  
THE ASST. ADMINISTRATOR FOR VISAYAS  
ALL MANAGER III, REGULATION DEPARTMENTS  
ALL MANAGER III, R, D & E DEPARTMENTS  
ALL REGULATION OFFICERS

**SUBJECT :** Policy on Moratorium of SRA Registration on New Applicants of  
Molasses-Based Bioethanol Production and Mandatory Feedstock  
Declaration of All Existing Bioethanol Producers

The Sugar Regulatory Administration (SRA) issued a policy of a moratorium on the registration of new applicants on molasses-based bioethanol production due to the following circumstances:

1. For sugarcane crop year 2015-2016, total bioethanol production capacities of SRA-registered bioethanol producers (operational) require around 1.0 million metric tons of molasses;
2. The biofuels law requires that biofuels components shall be locally-sourced and current molasses local production is only around 1.0 million metric tons;

Sugar Order No. 3, series of 2015-2016, is provided herein for your guidance and reference.
