MEMORANDUM CIRCULAR No. 1
Series of 2015-16

T O : ALL SUGAR MILLS
MILL DISTRICT DEVELOPMENT COMMITTEES/FOUNDATIONS
SUGAR PLANTERS ASSOCIATIONS

SUBJECT : PARTICIPATORY VALIDATION OF DIGITIZED MILL DISTRICT MAPS

FROM : 
MS. MA. REGINA BAUTISTA-MARTIN
Administrator

DATE : 18 January 2016

A digital map of all sugar cane farms comprising a milling district is a decision-making tool in the planning and development of the sugar cane industry in the district. The SRA has an on-going project towards the digitization of sugar cane farms which is now in the process of validating the processed maps if they are still currently under cane cultivation.

To facilitate the validation process, all sugar mills, MDDCs/FIs, and planters associations are enjoined to assign part of their staff to assist in these activities. Accordingly, SRA technical personnel involved in the farm digitization project will provide each district with digitized maps of the sugar cane farms therewith, and the assigned district staff, who are familiar with and knowledgeable of these farms will input information in the validation of these digitized areas.

For further details of this proposed cooperation, kindly contact the SRA mill district officer (MDO) assigned in your area, or the following SRA focal persons for the digitization project—

Luzon-Mindanao - Mr. LAVERNE OLALIA 0917-5602826
Visayas - Mr. ROBERTO VELASCO 0999-9957464

The cooperation of everyone involved is hereby earnestly enjoined.
