

## A DELIGHTFUL MEETING BY CHANCE

Administrator Hermenegildo R. Serafica met Mr. Jose Mari Chan, chairman and CEO of Binalbagan Isabela Sugar Company, Inc. (BISCOM) at the Bacolod–Silay Airport on his way to Bacolod on 30 July 2018.

Their chance encounter gave them the opportunity to update one another and briefly discuss present-day challenges of the sugarcane industry.

They discussed how the BISCOM mill can help enhance the productivity of small sugarcane planters in its mill district.

Mr. Chan also shared his plans of putting up a nursery for the small farmers in his area to which Administrator Serafica promised technical assistance through SRA RD&E Department.
