SRA's COMMITMENT TO THE COMMUNITY AND TO THE INDUSTRY

During the School Year 2013-2014, SRA launched its own scholarship program to assist poor but deserving students while ensuring the steady supply of bright and competent professionals committed to the continuous development of the Sugarcane Industry in the country. At present, SRA is helping finance the education of 15 scholars taking up Sugarcane Industry-related courses at the University of the Philippines, Los Banos (UPLB) and at the Central Philippines State University (CPSU) in the Visayas. As of December 2015, SRA has already produced 2 graduates from its scholarship program namely:

1. Mr. Don Van Karl D. Israel, BS Chemical Engineering Major in Sugar Technology, UPLB
2. Mr. Kevin Martin C. Faltado, BS Chemical Engineering Major in Sugar Technology, UPLB
