FROM : ENGR. HERMENEGILDO R. SERAFICA

DATE : DECEMBER 24, 2021

SUBJECT : SUBMISSION OF CALIBRATED PROJECTIONS OF RAW
AND REFINED SUGAR FOR THE MONTH OF
DECEMBER 2021 UNTIL AUGUST 2022

Due to the recent super typhoon Odette that devastated mostly the provinces of Visayas and Mindanao, it is expected that production for this current Crop Year will be affected due to the damage it caused to sugarcane plantations particularly in the Negros Island.

In this regard, all concerned are hereby requested to provide the above mentioned subject following a monthly format for this Crop Year and send it to rd_mgr@sra.gov.ph on or before December 29, 2021.

All data collected will be correlated with our analysis of both raw and refined sugar supply and demand situation as basis for policy making.

For strict and immediate compliance.
